

**B1- W15- FINAL TERM SPEAKING TASK****SITUATION 6- INSTRUCTIONS**

Get ready for your final speaking task. During this short talk you will have the opportunity to show and share your English-speaking skills.

In order to succeed, you must use all previous vocabulary related to the class content.

Before the speaking task:

- 1) You will watch some video tutorials beforehand
- 2) You can take some notes and get vocabulary ready. Make sure it is a list of ideas and this can support your task. (you cannot read during the test)

Tutorial 1 (how to make a milkshake) <https://youtu.be/2DWCzrH8Zp8>

Tutorial 2 (how to make an omelette) <https://youtu.be/y-Wr401Bio4>

Tutorial 3 (how to make paper) <https://youtu.be/lltkdyE1OG0>

- 3) Choose one tutorial to speak about it. You need to use passive voice and relative pronouns to describe the process and product in detail.

During the speaking task: 5 minutes each student

- 4) Take turns and explain the tutorial you chose. (remember using the class vocabulary and content)
- 5) Make sure you are not reading any notes.
- 6) Ask some of these questions to any of your partners:
  - Explain what product the tutorial is and how it is made
  - What is it needed to make it?
  - How long does this process take?
  - How many ingredients / items are used in it?
  - How can it be served? / how can it be used?
